Camper Conduct & Supervision : Groups bringing minors must provide at least one adult counselor/chaperone per cabin unit. No food in cabins--wild animals will enter buildings to find snacks. Fines will be charged for any defacement of CBS buildings or equipment. We also request that chaperones disperse themselves among minor age campers at meal tables and provide supervision of campers at all times.

Alcohol and Drug Use: Use of alcohol or any non-prescription drug will be cause for automatic dismissal from camp. (See next item)

Disciplinary Action and Property Damage: Any camper sent home for disciplinary reasons will pay all travel and related expenses, forfeit all camp fees and must make full payment for any damaged property. Such activities are contrary to the very purpose of the camp and may jeopardize future use of the camp by the individual's group.

Every group leader has been provided this information and it is their responsibility to communicate it to their constituents. An individual's attendance of an event at CBS implies their consent with the afore mentioned rules and policies.
